Full Service Corporate Solutions

Whether your putting on a simple luncheon or investing in a permanent state of the art Multimedia Room, Autotech Systems has the right solutions for you. With over 17 years of themed production experience, we will work with you to make your project special. Take a look at some of the projects we've worked on:

- Member of Cleveland Bicentennial Production team. (1996 Cleveland)
- Home & Garden Show exhibit support and design (1998 Cleveland)
- Production member for 'Fiesta Acapulco' New Years Eve Millennium show. (2000 Mexico)
- Anheuser-Busch Entertainment employee corporate meeting (2000 St. Louis)
- 'Forever Plaid' musical technical installation and support staff (2003 France/England)

Productions from every budget for every event.

Video taping/Archiving

Have your meeting or special event video taped and preserved on popular DVD format. We use only the best professional digital equipment for the highest quality suitable for large screen playback, corporate videos, or even television commercials. We tape using professional DVCPro media and then transfer your unedited video to a high quality DVD.*

\$125 hour including unedited DVD.

* DVD's contain 2-6 hours of video. Additional copies available for purchase.
